HILL DIRECTORY CO.'S
(INCORPORATED)

Street and Householders' Directory
AND LIST OF
STREET CAR and BUS ROUTES
OF
NORFOLK

1928

Copyright 1928, by Hill Directory Co., Inc.

In this section the streets are arranged in alphabetical order, the numerically named streets follow immediately the named streets in numerical order, without regard to geographical location, the intersecting streets being shown at proper intersection. The number of each building on the street is given in numerical order, and opposite the number the name of the occupant householder. In the business blocks containing offices and stores the occupants of each place are shown. In some of the outlying districts the street numbers are incorrect, the houses not numbered, or are so scattered that it was not thought advisable to include in the Householders' Directory such streets in this issue. The name of every inhabited street, however, is given with full description. The list includes all alleys, avenues, courts, places, circles, squares, terraces and sub-divisions, giving their location as near and concise as possible.

The profession, business, etc., of individuals and firms, will be found in the Alphabetical section of this Directory.

Every effort has been made to insure accuracy in this issue. If your house does not appear upon its proper street, or if the street upon which you reside does not appear, we will thank you to notify us so that correction will be assured in the next issue.

NOTE.—Dash (——) before name denotes that the house should have a number between the one preceding and the one following it. (* * *) between two intersecting streets show there are no houses between them.

NORFOLK STREET RAILWAY ROUTES

ATLANTIC CITY AND BRAMBLETON LINE—From Park and Brambleton av, south on Park av to Lovitt av, west to Lake, south to Main, west to Granby, north to York, west to Botetourt, north to Olney rd, west to Colley av and south to Woodis av, returning over same route to Bute, east to Granby, south to Main, east to Lake, north to Lovitt av, east to Clay av and north to Brambleton Park.
